

CHARLEVOIX CHILDREN'S HOUSE

A Montessori School

Dear Parents,

Thank you for your inquiry. Enclosed is information that will introduce you to the Charlevoix Children's House. Our school was established in 1979, and has provided quality Montessori education to many children over the years. We also provide an extended after-school program and tuition-free kindergarten. Our staff is deeply committed to the education of the 3 to 6-year-old child. Your child has the opportunity to enjoy the benefits of the three-year sequence designed to provide a solid foundation in language and pre-arithmetic skills, as well as sensory, art, and cultural development.

As the education of your child is such a personal decision, we invite you to come to the school and spend some time observing how the children work at their task of self development.

Please email me at cchmont@gmail.com or call me at (231) 547-5599 to make an appointment. I look forward to welcoming you and showing you our beautiful classroom, natural playground, and nature path. I would be happy to answer any questions you might have about the Montessori method of education, or any other questions that come up as you read through the enclosed material.

Sincerely,

Molly Crain
Directress
